What's New >

Version 8.2.0   2mo ago
Bug fixes, performance optimizations, and preparation for our next round of features.

1.) Download the Libby app from your device's app store (If you already have the Libby app for another library, skip to step 3).

Welcome! Thousands of public libraries offer ebooks and audiobooks (for free!) in Libby. Let me ask you a few questions, to guide you to your library.

First question: do you have **a library card**?

Yes, I Have A Library Card

Not Yet

2.) Open the app and click "Yes, I have a Library Card."

There are several ways I can help you find your library. How would you like to continue?

Guess Your Library
Find the nearest library using your (probable) approximate location.

Search For A Library
You can look up your nearest library by name or city or zip code.

**Recover Your Data**

3.) Click "Search for a library" (or tap the three horizontal lines at the bottom and select "Add a Library")

< Back   **Map**
