

ACADEMIC SKILLS PROGRAM

The Camp Pendleton Base Education Center (BEC) and Palomar College have teamed up to provide this 30-day PTAD educational program. The program is open to all active duty enlisted personnel, dependents, and civilians who are interested in improving their English and Math skills. Classes are limited and are held at the BEC, Bldg. 1331, Monday thru Friday, 0730–1600 for four weeks.

Once students finish the course, they should see an improvement in their basic skills in English and Math and should be more competitive in today's military and civilian job markets. The Academic Skills Program is **HIGHLY RECOMMENDED** for all active-duty military students who want to use tuition assistance that have a GT of 99 or below. This non-credit class is open to the public, but priority is given to active-duty service members, particularly those holding a GT score of 99 or less.

STEP 1: Fill out the Academic Skills Program Acknowledgement Letter. Be sure to provide all the requested information at the top of the form. Your initials and signature indicate you've read and agree to the terms of the program. Once you've completed the form, have your commanding officer sign.

STEP 2: Apply for admission to Palomar College at [Palomar.edu/Apply](https://palomar.edu/Apply). After you have completed the 2-step application process, you will receive an email with your Palomar Student ID# approx. 24-48 hours (This is not the CCC ID). You will add your Palomar ID # to your acknowledgement letter.

STEP 3: Bring the signed acknowledgement letter to the BEC (Bldg. 13150, Rm 241) for review. This is how your spot will be reserved.

STEP 4: Have your command create your PTAD orders. You'll submit your printed PTAD orders to the BEC on the first day of class.

The Academic Skills Program is *not* an ASVAB or AFCT prep course. MARADMIN 081/11 clarifies DOD and USMC policy in regard to ASVAB prep courses. Marines are not allowed to take ASVAB prep courses, and the use of other specific test preparation aids is strictly prohibited.

Service members who want to improve their AFCT scores to qualify for reenlistment or other programs are encouraged to go to <https://dantes.petersons.com/> for free and approved prep materials. Also, there are free AFCT (ASVAB) prep materials available at the base libraries.
