

OVERVIEW: Your Self-Assessment/Individual Transition Plan is your road map for attaining your employment, education, vocational, and entrepreneurial goals and will help you make a successful transition to civilian life. Develop your plan, keeping in mind this is a living document that will be modified as you near transition. As part of your transition, there are <u>Career Readiness Standards (CRS)</u> that you will be required to meet. CRS are designed to increase your ability to successfully overcome any challenges in pursuit of your post-transition goals. This document is a Career Readiness Standard (CRS), and will be required during your **Initial Counseling, TRS Workshops**, and <u>Capstone Review</u> appointments so make sure you bring it with you to each of these appointments. **CRS are noted throughout the document.**
